Homeowners Insurance. Do You Have Yours Yet?

All homeowners are required to carry Homeowners Insurance whether you personally occupy your home, or are going to lease it to others. This is a good time to start shopping around for coverage.

Insurance companies tend to ask a number of standard questions about the way your home is being built in order to provide you with the appropriate coverage. The information below will help you answer some of those questions. If you have additional questions please let us know at ask@tridel.com.

Your 101 Erskine Community:

- Year Built: **2018**
- Construction Type: **Concrete / Non Combustible**
- Plumbing: **Pex (Plastic)**
- Electrical Wiring: **Copper Wire**
- Unit Amperage: **100 amp Service**
- Heating Type: **Fancoil**
- Roof Type: **Concrete / Non Combustible**
- Type of material covering most of the building exterior: **Spandrel Glass & Glass Windows**
- In-suite sprinklers: **Yes**
- Number of in-suite smoke detectors: **One in every bedroom and living area**
- Alarm System in Place: **Yes connected directly to the community Concierge**

What coverage do you need?

Protection for your possessions and any upgrades you have (or are going to make) to your home, as well as coverage for the flooring and countertops, commonly known as All Risk or All Perils insurance. Liability insurance with a minimum of \$2,000,000.

You will also need to ensure that you are covered for your Condominium Corporation's deductible, in the event either you or an event in your suite causes an issue (e.g. overflowed tub).

Visit our Home Owner Resources section of Tridel.com for more helpful information.
